

STATEROOMS AT A GLANCE

Royal Caribbean® has always kept its ships sparkling clean. Now, with guidance from our Healthy Sail Panel, we're going further than ever before to ensure your peace of mind. Our new protocols keep ships safe and sanitized from bow to stern — including your stateroom.

Crisp, Clean Linens

All towels, bedding and pillows are laundered with hospital-grade detergents at high temperatures.

100% Fresh, Filtered Air

Fresh ocean air is continuously supplied to every stateroom from outside, with a total air change of up to 12 times per hour.

EPA-Certified Cleaning Agents

Hospital-grade disinfectants are used daily to clean all high-touch surfaces.

Daily Distanced Service

Your room is only serviced and sanitized by a stateroom attendant while you are out — and there are still towel animal surprises.

Digital Daily Planner

Conveniently access your Cruise Compass from the Royal App on your phone.

Safety Briefing

Watch the muster video from the comfort of your in-stateroom television.

Welcome Amenities

Complimentary face masks and hand sanitizing gel are provided upon your arrival.

Room Service

New contactless delivery protocols ensure you'll enjoy meals safely and conveniently.
