

MEDICAL CENTER AT A GLANCE

There's nothing more important than your health and safety. That's why we've made our high-quality onboard medical care stronger than ever, with more doctors and nurses on each ship and state-of-the-art equipment enhancements. And in the event of a suspected case of COVID-19, we're fully prepared with immediate medical evaluations, rapid testing and more critical care beds on each ship.

Fully Equipped to Meet Your Needs

Upgraded Medical Equipment

- Hospital grade ventilators
- Cardiac monitor
- Central oxygen system
- Nebulizers
- Defibrillators and external pacemakers
- EKGs

Therapeutic Treatments

- Antibiotics including IV medications
- Antiretroviral
- Oxygen therapy

Comprehensive Laboratory

- Large range of tests
- Results provided onboard
- Includes RT-PCR rapid testing for COVID-19

Highly Specialized Medical Staff

Each ship's Medical Center is staffed by, at minimum:

2 Doctors

Specialized physicians with training in acute and intensive medical care, plus experience in Maritime Medicine.

4 Registered Nurses

One of these is the new Infection Control Officer, who ensures all applicable public health and disease control standards are met.

Additional support

If needed, your ship has access to supplementary personnel through accredited medical partners and our own internal pool of doctors.

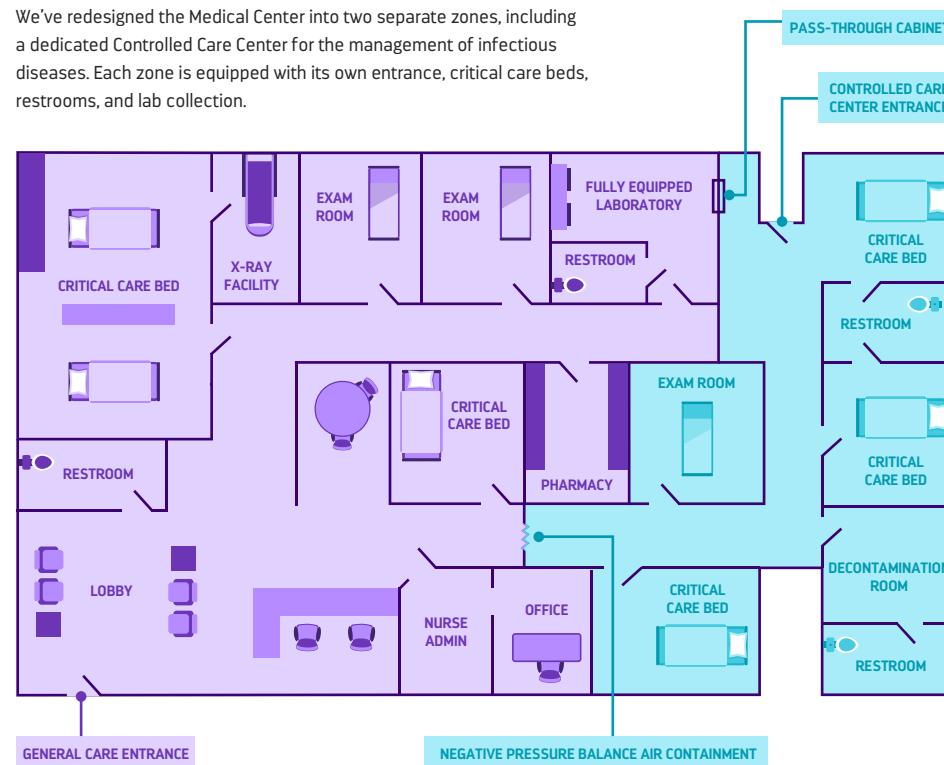

Two Distinct Care Zones

GENERAL CARE

CONTROLLED CARE CENTER

We've redesigned the Medical Center into two separate zones, including a dedicated Controlled Care Center for the management of infectious diseases. Each zone is equipped with its own entrance, critical care beds, restrooms, and lab collection.

⚠ Notice: Prior to booking, please consult all applicable U.S. Centers for Disease Control travel advisories, warnings, or recommendations relating to cruise travel, at [cdc.gov/travel/notices](https://www.cdc.gov/travel/notices). If a certain threshold level of COVID-19 is detected onboard the ship during your voyage, the voyage will end immediately, the ship will return to the port of embarkation, and your subsequent travel, including your return home, may be restricted or delayed. Health and safety protocols, guest conduct rules, and regional travel restrictions vary by ship and destination, and are subject to change without notice. Due to evolving health protocols, imagery and messaging may not accurately reflect onboard and destination experiences, offerings, features, or itineraries. These may not be available during your voyage, may vary by ship and destination, and may be subject to change without notice.
